OUR STORY

Signet Institute of Australia believes in providing opportunity to any student to excel in their professional life, regardless of their background, culture, or country. Our aim is to enable our students to become the leaders of tomorrow regardless of where they live and work around the world. We acknowledge that education and learning is a lifelong process which never ends but we believe that our role is to provide a solid foundation on which our students can then keep building for the rest of their professional lives. Established more than a decade ago, Signet Institute of Australia is a leader in vocational training and education in the Australian landscape. We believe in providing more than education, we strive for overall development of our students – providing them with social, professional, and international experience to shape their future in this global setting.

We work hard to design, deliver, and regularly assure the quality of each and every qualification we deliver. We bring in the industry experts to review our courses and programs to ensure that we meet highest industry standards and that our courses reflect the needs and demands of the industry sector. We focus strictly on practical component and hands-on training to provide the best learning experience. We have built state-of-the art classrooms, workshops and training labs to provide the most modern and comprehensive exposure to our students in their respective areas. Our trainers and team members are seasoned professionals connected to the industry and are always available for your growth and curiosity.

OUR PURPOSE

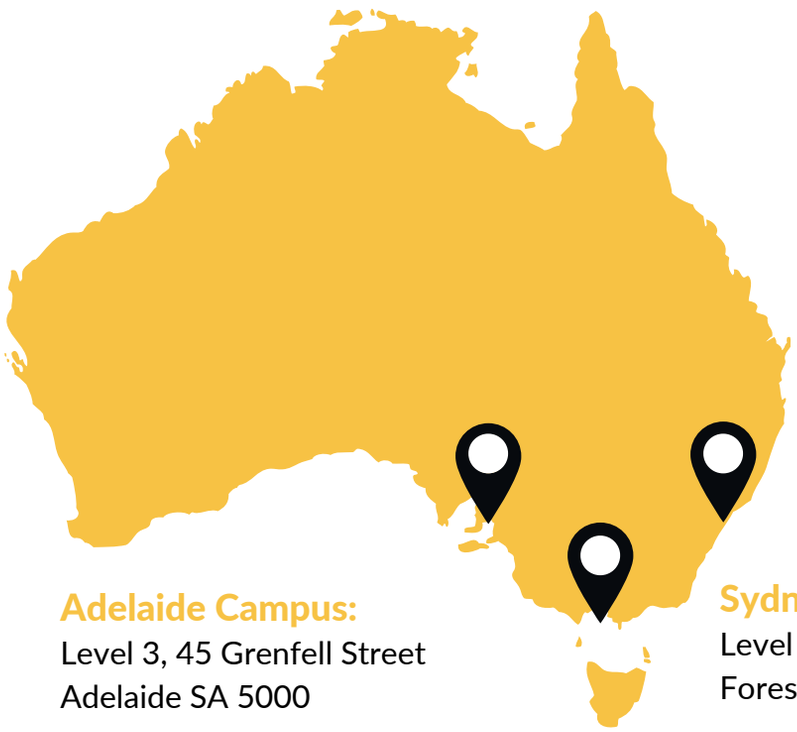

Nurturing and empowering people on their career trajectory, to help them live meaningful and rewarding careers.

OUR PROMISE

We will provide you with the tools and environment you need to learn, evolve and be better. Our educators, staff and students are a family to our students.

SIGNET VALUES

TRANSFORMATION

The world is an ever-changing place; technology, research, and information are rapidly improving our lives and our world. Our organisation is committed to keeping up with the evolving world and educating our students to do the same.

SERVICE & COMMUNITY

We educate to inspire our students to do the same in any industry or community they find themselves in. The true meaning of life is to live with purpose and to contribute to the world.

LISTENING & ADVOCATING

Everyone has a powerful voice and a contribution to make, our organisation prides itself on listening, embracing diversity and advocating for inclusivity.

GOVERNANCE

We adhere to all government laws and regulations applicable to our industry. We give attention to detail, and prioritise communication and equity in everything we do.

STUDENT-CENTRIC

Our Students are our customers and we put them first. Our organisation exists to serve students, and improve their lives so they go on to improve the communities they serve after graduation.

STUDENT SUPPORT

We are proud to provide our students with dedicated support during their international studies, our range includes the following:

ACADEMIC SUPPORT

Students who have questions about their assessments, marks, classes or anything related to their course work, are able to contact their trainer/assessor directly through email. Any further questions can be escalated to the Campus Manager.

LANGUAGE, LITERACY & NUMERACY (LLN) SUPPORT

Students are offered LLN support classes to assist with their communication skills during their time with us. Most of our students speak English as their second language and may face difficulties, therefore, support is available every week.

STUDENT COUNSELLING SERVICES

We offer our students access to a Student Counsellor when they require support for various situations, such as:

- Finding balance with study, work and life
- developing academic success strategies
- coping with stress and anxiety arising from their studies
- methods to reduce loneliness and isolation caused by living in a new place
- providing information about organisations and resources for improving their mental health

STUDENT CAMPUS COMMUNITY

Every campus has a student community that organises events and social functions for students to participate in to create friendships and social ties.

PATHWAY QUALIFICATION

Signet Institute does provide educational pathways, that contain multiple qualifications, and aim toward a career goal. All our programs are designed in consultation with the industry they serve. Completing a program allows for credit transfer for units that appear in both individual courses, thus programs are shorter than completing multiple individual courses.
